

Sage MIP Fund Accounting

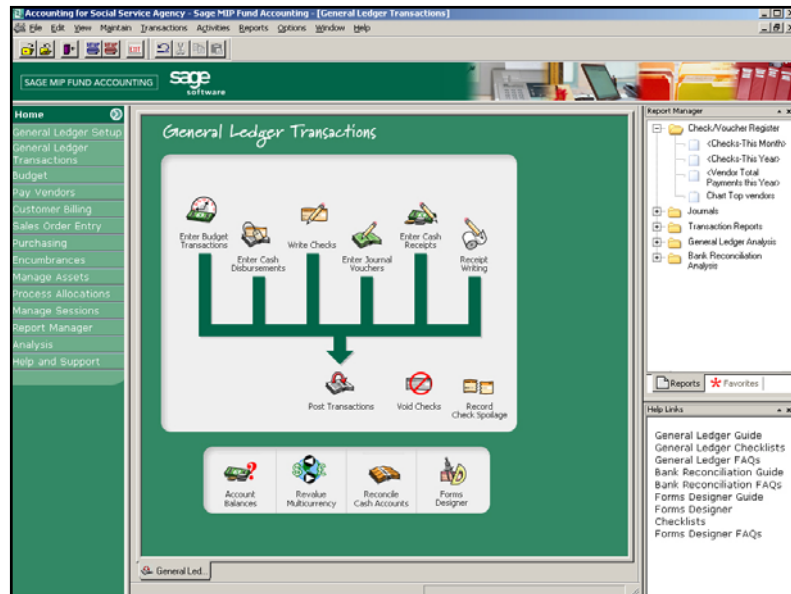

Software & Training Bundle

Unlike commercial accounting systems, Sage MIP Fund Accounting, gives nonprofits the ability to track and report on funds from multiple sources, across multiple budget periods — and integrates with your Sage Fundraising system!

Authorized Partner

SAGE MIP FUND ACCOUNTING

Specifically designed for nonprofits, Sage Fund Accounting allows you to:

- **Cut hours or days off your reporting cycle**—create the reports you need right in the system.
- **Boost productivity**—automate transaction entry with tools and shortcuts.
- **Smooth processes**—seamlessly integrate with you fundraising system and reduce errors.
- **Secure data**—restrict access to specific projects or fund by user.
